ROADWORK UNDERWAY AT HWY. 101/46 WEST INTERCHANGE

PASO ROBLES – A project to widen the southbound off ramp of Hwy. 101 at the Hwy. 46 West interchange in Paso Robles is underway, Caltrans officials have announced.

In order to widen the offramp, motorists will be limited to two lanes during construction for the next six weeks.

New traffic signals will also be installed at Ramada Drive and Hwy. 46 West. Motorists can expect delays exiting Hwy. 101 at Hwy. 46 West.

Construction of the ramp/signals is expected to be completed in early August. The contractor for the project is the A.J. Diani Construction Company of Santa Maria.

Caltrans reminds motorists to 'Slow for the Cone Zone'.

For traffic updates on other state highways in San Luis Obispo County, motorists can call Caltrans District 5 Public Affairs at 805-549-3318 or can visit the District 5 website at: <http://www.dot.ca.gov/dist05/maint/road/upslo.htm>
